Vastu Science: The Hidden Truth of Your Life

Is your home just a building, or the energy center of your family?

Harmonize Your Space, Enhance Your Life!

More than Just a Beautiful Home!

Today, architects and engineers design homes that look good and are strong, but do they consider the **Cosmic Energy** and the **nature** of the people living there?

Many families live in well-built houses but still face stress, illness, financial struggles or family disharmony. The reason is often an **imbalanced space**.

What is FICOX Vastu Science?

Dr. Chandan Kumar Sah, Ph.D., M.Sc. Vastu Science brings a scientific approach to traditional Vastu. We analyze your home in depth using:

1. Cosmic Energy Balance

We align your home with the five elements – Earth, Water, Fire, Air and Space, to enhance your personal and family energy.

2. Precision Planning

Using ancient wisdom like grain (Jau) and nail measurements, we ensure proper measurements for health, prosperity and stability.

3. Astro-Vastu Compatibility

We study your family's birth chart and nature to decide the right direction for bedroom, study room, prayer space and more.

Key Benefits for You

Mental Peace
End stress, negativity and conflicts

Financial Growth
Right energy for career and business success

Family Happiness
Better bonding and brighter future for children

Health & Wellness
Balanced energy for a healthy life

Our Promise

This is not just a claim, but the result of years of research in M.Sc. Vastu Science (Vedic Architecture).

We see not just walls, but your life's happiness through our **7-in-1 Integrated System.**

वास्तु विज्ञान: आपके जीवन का अनदेखा सच

क्या आपका घर सिर्फ ईंट और सीमेंट का ढांचा है, या यह आपके परिवार की ऊर्जा का केंद्र है?

एक सही घर, एक खुशहाल परिवार और एक समृद्ध जीवन— यही हमारा लक्ष्य है।

आज के दौर में आर्किटेक्ट और इंजीनियर सिर्फ **"दिखने में सुंदर"** और **"मजबुत"** बिल्डिंग डिजाइन करते हैं। लें कन क्या उन्होंने कभी आपके घर की **"कॉस्मिक एनर्जी"** और उसके भीतर रहने वाले लोगों के **"स्वभाव"** के बारे में सोचा हैं?

हमारे अनुभव में, कई ऐसे परिवार हैं जो बहुत अच्छे घरों में रहते हैं, फिर भी वहां अशांति, बीमारी, आर्थिक तंगी या रिश्तों में दरारें देखने को मिलती हैं। इसका कारण सिर्फ आपकी किस्मत नहीं, बल्कि आपके घर का **"असंतुलित स्पेस"** होता है।

FICOX वास्तु बिज्ञान (Astro-Vastu) कैसे काम करता है?

डॉ. चंदन कुमार साह (Ph.D., M.Sc. Vastu Science) द्वारा तैयार किया गया यह मॉडल सिर्फ पारंपरिक वास्तु तक सीमित नहीं है। यह एक बैज्ञानिक दृष्टिकोण है, जिसमें हम आपके घर का गहराई से विश्लेषण करते हैं:

1 कॉस्मिक एनर्जी का संतुलन

हम यह देखते हैं कि आपका घर पंचतत्वों (पृथ्वी, जल, अग्नि, वायु, आकाश) से कैसे जुड़ा है। हम आपकी पर्सनल एनर्जी को मजबूत करते हैं ताकि आपका घर प्रकृति के साथ तालमेल बिठा सके।

2 सटीक माप (Precision Planning)

हमारे पूर्वजों ने जौ के दानों और नाखुनों के माप से जो **"आय-व्यय"** (Income-Expense) का सिस्टम बनाया था, हम उसका आधुनिक इंजीनियरिंग के साथ मिलान करते हैं। यह सुनिश्चिव करता है कि आपके घर में धन का प्रवाह लगातार बना रहे।

3 फैमिली + एस्ट्रोलॉजी (Astro-Compatibility)

हम आपके और आपके परिवार के सदस्यों की जन्म कुंडली और स्वभाव को समझते हैं। फिर उसी हिसाब से सोने का कमरा, अध्ययन कक्ष, या पूजा स्थान की दिशा तय करते हैं। (हर परिवार के लिए वास्तु अलग होता है)

इसका आपको क्या फायदा होगा? (The ROI)

मानसिक शांति
घर में लगातार चलने वाले क्लेश, बीमारियां और नकारात्मकता खत्म होंगी।

आर्थिक उन्नति
सही दिशा में पानी और सही जगह पर आग (इलेक्ट्रॉनिक्स) होने से करियर और बिजनेस में ग्रोथ होगी।

पारिवारिक सुख
बच्चों का मन पढ़ाई में लगेगा और रिश्तों में तनाव कम होगा।

स्वास्थ्य
घर की एनर्जी का सही प्रवाह आपके शरीर के "चक्र" को संतुलित रखेंगा, जिससे आप बीमारियों से बचेंगे।

हमारा वादा:

यह हमारा दावा नहीं, बल्कि हमारे M.Sc. Vastu Science (Vedic Architecture) के वर्षों के शोध का निष्कर्ष हैं। हम सिर्फ ईंटों का ढांचा नहीं देखते, हम आपके जीवन की खुशियों का **"7-in-1 इंटीग्रेटेड सिस्टम"** देखते हैं।

"एक सही घर, एक खुशहाल परिवार और एक समृद्ध जीवन— यही हमारा लक्ष्य है।"
